It should be clearly understood that such a transfer from the EMD/Security deposit would be done for the same lot.
 - Any quantity above 10% (upto a maximum of 25%) of the quantity offered in the Auction catalogue will be available for sale at mutual agreement between the above buyer and the company. The buyer will be required to make the payment in advance for the excess quantity of materials authorized to be lifted within 2 days from the last lifting date mentioned in the sale letter. The Company shall not be deemed as an Agent of the buyer for any other purpose in any manner except as categorically mentioned herein.
- 18.10 In case buyer requires any service or facility from the Company for dismantling, loading and removing the goods, the Company may without being under any obligation provide the same on chargeable basis.
